## **Master of Business Administration (M.B.A.)**

The Master of Business Administration (M.B.A.) Degree is for busy working professionals. An advanced business education degree could lead to a number of career opportunities in today's competitive job market. The interactive MBA program offers maximum flexibility and convenience as well as the practical knowledge and application necessary to excel. This is a self-paced learning program, which is completed online. Study programs are not structured in semesters, quarters or terms, which allows the student to begin their degree program at any time of the year.

Requirements: You need a Bachelor's Degree in Business Administration or allied field from an accredited college/or university. Even if you have completed an undergraduate degree in another field, it will be comparable to a Bachelor's Degree, thus it will be accepted. But, you may have to take several other courses at the graduate level to introduce you into Business Administration.
