MBA in Strategic Management

Who is this course for?

The MBA in Strategic Management is a professional qualification for those who are senior managers or who wish to move into senior management positions. It provides the knowledge and understanding which underpins the Level 7 or UK QCF Level 7 in strategic Management in that it develops the skills of practising managers.

This course emphasises the practical aspects of a manager's development, encouraging critical, clear and innovative thinking about 'good' and 'best' practice. The teaching styles and assessment methods require you to engage as an active participant in improving and developing your distinctive management skills, knowledge and behaviour.

The courses are located in our Moodle Campus and each module course would need to be passed separately and students would need write an assignment about 6 to 10 thousand words to complete the one module Course .

How long is this course for?

Part-time or full time course is taught in our module campus and the duration is one to three Years . The courses are modules Base courses and courses would need to be passed before qualification can be achieved.
