B. Recognition of Our Evaluation Report

California University FCE is now recognized by the United Nations NGO Branch, a CHEA member under UNESCO. CHEA International Quality Group ID # 459C246 is granted to CUFCE as an Evaluator of curricula and academic programs of state approved universities that apply for regional and national accreditation as well as the UNESCO affiliated universities. Please see the attached computer print outs.

EDUCAUSE I.D. # 198820 is granted to California University FCE for being a State of California Government-Approved-Section 23801(d), and U.S. Federal Government-Approved - Section 509(a)(1), Tax-Exempt Higher Education Organization in the United States of America. Very few higher education organizations like the American Council on Education (ACE) www.acenet.edu are bestowed with this honor and privilege of getting an EDUCAUSE I.D. number 198820 and tax exemption. There is no evaluation service in the USA ever granted this honor and privilege. Most of the members of the National Association of Credential Evaluation Service (NACES) were granted the Section 501(c) Approval only. The Section 501 (c) Approval is also very difficult to obtain. Not everybody can get this approval from the State and from the U.S. Federal government.

California University FCE is a member of NACE - National Association of Colleges and Employers.

The United States Department of Education NCES School ID # A1300171 - It has listed California

University FCE on October 23, 2009 in its Education Resource Organizations Directory with Unique ID No: 7499. California University FCE is also accredited as a Credential Evaluation institution by AAHEA - American Association for Higher Education and Accreditation.

C. Recognition by the Federal Ministry of Education of Nigeria.

California University FCE equivalency degrees "are recognized and equivalent to degrees awarded by any Nigerian University in a similar field of study."

D. Course Evaluation Report:

Based on the transcript of records and the diploma on file with the Registrar's Office, we have confirmed that **Mr.**

Isaac Charles graduated with the degree of **Doctor of Philosophy (PhD)** on June 20, 2014.

U.S. Department of Education NCES School ID # A1300171 is granted to CUFCE.**

There are only three higher education organizations and two credential evaluation service in the U.S.A. that were ever given the State Government Approval Section 23801(d) and the U.S. Federal Government Approval Section 509(a)(1) tax exemption. All applicants have to pass through a very rigid screening for two years before one can get government tax exemption approval. These are **the hallmarks of excellence in this kind of business.** Most of the **members of NACES** – National Association of Credential Evaluation Services – are **merely given Section 501 (c) Approval.** This approval is also very difficult to obtain. **CORDIS- European Commission, the Executive Branch of the government of the European Union accepted CUFCE as one of its partners in higher education organizations.** Please see attached print outs.

California University FCE is commissioned to do curricula and other program evaluation of some U.S. institutions that are now accredited such as California University of Management and Sciences, West Coast University, and the American Career College, CUFCE has also evaluated the curricula of some members of the *Global University Network for Innovation (GUNI)* of UNESCO and the *United Nations University*. Some of these universities are listed in our web site under Affiliated Institutions.

California University FCE is a conglomerate of Amorsolo Construction & Real Estate Development Corporation, Canon Drive, Beverly Hills 90210; Beverly Hills Resources Corporation, Canon Drive, Beverly Hills 90210; Amorsolo Mansions USA, Inc, Beverly Hills 90210; Amorsolo Foundation, Incorporated; Beverly Hills RC School and Infant Care Centers located at Premier Hollywood, Beverly Hills and Irvine real estate properties.

California University FCE evaluated the curriculum and the academic credentials of the deans, professors and staff of California University of Management and Sciences in October 2005 when it applied for national accreditation by the *Accrediting Council for Independent Colleges and Schools*. *California University of Management and Sciences is now accredited since April 2006.*

California University FCE is accredited as an evaluation and assessment institution of higher education by AAHEA – American Association for Higher Education & Accreditation, Inc.

Some U.S. regionally accredited universities utilize CUFCE services for the credit evaluation of their graduating students to determine whether each candidate for graduation has complied with the curriculum requirements of the different Areas of Study. Other national credential evaluators do not perform this type of evaluation.

The United States Office of Personnel Management (USOPM) accepts California University FCE evaluation reports for employment by the Federal government. The State of Washington CPA Board of Examiners also accepts CUFCE's evaluation reports. Professional Engineers, Medical, Dental and Nursing Boards of most states accept our evaluation reports.

California University FCE is proud to be a member of the very prestigious higher education organization – the AIEA - Association of International Education Administrators. AIEA is an international professional membership association for leaders in the field of international higher education. Among the notable credential evaluation services that are also members are *WES - World Education Services, Inc.*, *ECE- Educational Credential Evaluators, Inc.* and the *ACEI – Academic Credential Evaluation Institute, Inc.* The American Association of State Colleges and Universities is also a member.
